Hernando County Board of County Commissioners is accepting applications from individuals wishing to serve as a member on the Board of Construction and Regulation committee. The following positions are currently vacant:

- One Building or Residential Contractor
- One Roofing Contractor
- One Architect Engineer
- Two Consumer Representative - Consumer Representative may not be a member or practitioner of a profession or trade actively engaged in business regulated by the construction industry licensing board or a member or practitioner of any closely related profession or trade actively engaged in business. May not be the spouse, son, daughter, or adopted son or daughter of: a practitioner of a profession or a trade regulated by the construction industry licensing board, a member of any closely related profession or trade, actively engaged in business.

The Board of Construction and Regulation conducts informal hearings involving contractor licensing regulations, conducts hearings for appeals of decisions and interpretations of the building official, and serves as the county-wide compliance review board to hear appeals as to technical amendments of the Hernando County Construction Code. Meets 6-12 times a year during business days.

Applications are available at the County Administrator's Office, located at 20 North Main Street, Room 263, Brooksville, FL 34601, by calling (352) 754-4002 or by visiting www.HernandoCounty.us/Committees. Applications must be returned to the County Administrator's Office.

All applicants must be residents and registered voters in Hernando County. Additionally, these are voluntary, non-paid positions.

Contact the County Administrator's Office at (352) 754-4002 for more information about a specific board or committee.
